

Hello families,

If you have been a part of LMCS for a while now, you will be familiar with the phrase "Coins for Kids"! Each year around this time we ask the students and families to bring in their coins for a week, with a different coin amount each day, and all of the money raised goes toward helping families in our community. As a school we adopt four to five families each Christmas and provide gifts and food for them during the holiday season. Throughout the year we also help out where we can, we may buy boots, groceries, a winter coat, etc.

This year we are hoping that LMCS families can help in one of the following ways, if they are able:

- participate in Coins For Kids - have your child bring in coins during the week
- purchase a gift card for Superstore, Walmart, or the Mall that we can then use to purchase gifts for our families (any amount is welcome and can be dropped off in the office)
- bring in food items from the list below so we can create Christmas hampers to provide Christmas dinner and other meals over the holidays

This is a very tough season for many families and we want to be able to help out as much as possible and we greatly appreciate your support in any capacity.

Thank you
Ms. Jaggi and the LMCS staff
