

Mills School Supplies
Pre Order Online Before
Friday, May 20, 2016

Dear Langley Meadows Families,

The school year is almost over and busy parents/caregivers like you have already begun planning your summer vacation. So why not enjoy it with family and take some of the "back to school" shopping stress off your plate by ordering your children's school supplies now.

As a school and PAC we have listened to your comments and frustrations with buying school supplies. So we have come up with a new pilot program that will make the whole process easier for those who wish to get it done and out of the the way now.

Pre order school supplies for your child before Friday, May 20, 2016 for classroom delivery September 2016. That's right!! No more fighting crowds, standing in line-ups, and running around to multiple stores.
